**Vassar Brothers Hospital**  
POUGHKEEPSIE, NEW YORK

IT IS APPROPRIATE at this time to update this Directory of all the names of students who have graduated from the Vassar Brothers Hospital School of Nursing. When the doors close this September, 1449 students will have passed through them. It is with deep trepidation but also a sense of pride that this booklet contains not only the first but the last class.

In February of this year Mrs. Katherine Wallwork '31 was made an honorary member of the alumnae for her loyal and distinguished services to the alumnae. The compiling of this Directory is only one of the many contributions she has made over the years. As President, I would like to thank her for all of us.

My best wishes to all of you.

MARIE LUCKFIELD '59
